Prepared by Needle & Foot

Once your pieces are cut, you will assemble them into three panels. Panel 1 is then joined along the long side to Panel 2. For Panel 3, join 9, 10 & 11. Then join 13, 14, & 15. Sew all three columns together. Stitch number 16 to the upper panel. Stitch 17, 18, and 19 together and sew to the above sections.

Finally sew the completed panel 3 to panel 2, aligning the seams for the narrow strip (pieces 2, 7, 10 and 14.) Square your block to a finish of 12.5".
